SECOND PUBLIC MEETING FOR BRIGHT 74 STUDY IS JUNE 22

Wed, 06/15/2016 - 17:19 Journalpress1

The second public open house for the Ohio Kentucky Indiana Regional Council of Governments Bright 74 Study is set for 4 p.m. to 7 p.m. Wednesday, June 22, at East Central High School, Performing Arts Center, 1 Trojan Place, St. Leon.

The Bright 74 Study is being undertaken by the OKI to identify multi-modal transportation needs, develop conceptual solutions and evaluate improvement alternatives for the area. Possible improvement options include a new road from Bright to Interstate 74, straightening current roads or leaving the roads in their current condition.

If anyone has a disability and requires assistance or requires translation services, call Florence Parker at 1-513-619-7686 or 1-800-750-0750 (Ohio Relay Service).

For more information about the study, visit <http://bright74.oki.org/>

The Dearborn - Ohio County Child Advocate program is looking for volunteers to be the "Voice of A Child".

Every neglected or abused child deserves a voice - someone to speak for them in court. Children have rights; we fight for them.

If you have the time, compassion and a love for children, please consider volunteering.

To find out more, visit us at VoiceOfAChild.net or call 812-537-8741.
